

Parent/Carer Questionnaire

This questionnaire has been designed to gather evidence about parent/carer experiences of the education of their children at the Academy. Your views will help us to plan further improvements that will provide an even better education for our students.

Please answer the questions by putting an 'X' under the most appropriate response for each question based on the experience of your child at the Academy. If you have more than one child at the Academy and their experiences have been different, please complete an additional questionnaire.
