Tracksuit bottoms £19.50	Shorts £10	Leggings from Zutti £17	Shorts from zutti £10
Total cost £37.50	Total cost £28	Total cost £35	Total cost £28

Items to note.

- + It is important to note that items from Zutti have been quality assured by the PE department.
- + A plain dark blue T shirt will be needed to wear under the long sleeve tracksuit top. This item is available from Zutti with the school logo however it is acceptable to purchase plain dark blue T Shirts from other outlets as long as they are not branded.
- + Branded sportswear is not acceptable. Students who purchase branded items of clothing will not be able to wear them for the lesson and will receive a sanction.
- + Plain Blue or black sports socks must be worn with PE kit. The socks worn for the lesson must not be the same socks they have been wearing through the school day.
- + It is acceptable to wear any form of sports trainer. As pupils will have lessons both indoor and outdoor it is recommended that a trainer with good support is purchased. Football boots with a moulded stud (no metal tips or blades) can be used on the Astro Turf but this item of kit is not essential. There is no expectation on the colour of trainer.
- + Items such as shin pads, gum shields or any other sports related equipment is not necessary for PE lessons. School team players may need additional items of kit such as Shin Pads for football but these items can be purchased at a later stage.
- + Kit for dance students remains the same as last year. It is now acceptable to wear the track suit top for dance rather than the T shirt.
