A Warm Welcome to Oasis Academy Oldham

Dear Parent/Carer of: Name

I am delighted you have been successfully awarded a place for your child at Oasis Academy Oldham in Year 7 from September 2024. We are really looking forward to getting to know you and your child and to welcome you into the Oasis Oldham Community.

At Oasis Academy Oldham our core purpose is to develop well-rounded and talented young people who will reach academic success in addition to making a positive contribution to their own community. To achieve this, we will support and encourage them to develop their passions, talents, and interests, and instil our Oasis 9 Habits in all we do together.

Through the opportunities we provide, your child will get to grow with the academy and, along with yourselves, have the chance to contribute to key decisions that are made, that form a key part of our identity. As Co-Principal of the Academy, I am excited and committed to us working together, as one community, one family, to ensure that Oasis Academy Oldham offers the best provision, support, guidance and rigour, ensuring every single child achieves their potential.

We will regularly update our website www.oasisacademyoldham.org and you can also keep updated through our Twitter Account @OasisOldham. Feel free to use these forums to ask questions. Alternatively, you can email: Alethea.Burns@oasisoldham.org / Amanda.Newton@oasisoldham.org or give us a call if you need any further clarification: 0161 624 9630.
