In this space tell us about your proudest achievements:

My proudest achievement is everything that I did while at university. Not only did I learn a lot of new and interesting things, but I made some lifelong friends and had some really fun times whilst at uni.

I also was given the opportunity to study abroad for a year and I'm very proud that I was able to move to Canada all on my own and had the best time while living there. I also did a months travelling at the end of it!
