**In this space tell us about yourself**

Hi 7RMA! I am Head of Geography at OAO and have been here for the last 5 years!

I was born in Birmingham and lived there until I moved to Manchester for university (don't worry, I don't have the accent). I have studied Geography all through school and university and trained to become a teacher in 2015! I enjoy my job and can't wait for you all to come to Oasis and take part in a variety of new lessons! It is my job to make sure that your Geography lessons are exciting and top quality! It will also be my job to make sure that you are enjoying your time at high school and I will be there daily to support you.

I am super excited to have you all as my year 7 form next year!

Enjoy your summer and I will see you in September!
