In this space tell us about your proudest achievements:

I was captain of Greater Manchester Schools Under-19s footy team while at college; we reached the Northern Cup Final; but lost! I have won a Cup Final though, and scored a diving header in it! I still play football each week, and for a team on Sundays.

I am really proud to work at Oasis Academy Oldham, and being Head of Year 7 is definitely the proudest achievement of my career; I love my job!

I have also played guitar at a gig at Glastonbury Music Festival!

I am, however, most proud of my wife-to-be and all our children and grandchildren!!
