THIS IS ME

This is your chance to tell or show us all about you. You can write, draw, glue things and whatever else you would like to do here. Get as creative as you wish, just tell or show us ALL ABOUT YOU!

This September will be my third year of teaching at Oasis Academy Oldham. I love teaching Design technology, but I have also taught Food technology and Art at previous schools. I have a back ground in illustration and fine art, and originally wanted to be a comic book illustrator before I became a teacher. Due to my subject I enjoy making and creating, as well as drawing and designing. When I am not in school my favourite things to do are to read and play video games.
