

17<sup>th</sup> July 2023

Dear Parents and Carers

### **End of Academic Year Letter 2022/23**

It is hard to believe that we are at the end of another academic year; a very successful and positive year which has been recorded in our LORIC newsletter. This will be sent to parents on Friday.

### **End of term arrangements**

This week is a busy week with our end of year rewards trips to Blackpool and Celebration Assemblies. The final day of term will be a Cultural Celebration Day where students will be allowed to wear clothing that represents their culture. Ms Bal has explained this to students in assemblies last week and we look forward to celebrating our diverse community.

On Friday 21<sup>st</sup> we will finish at an earlier time of 12:15pm, 'grab-bag' lunches will be provided for those students who wish to have one.

### **Building works update**

During the summer break, improvement work will be ongoing to ensure our facilities remain first class and our safeguarding procedures are strong. A number of building projects are taking place so this will limit access during the holiday period.

### **Summer Programme**

A copy of this year's summer programme can be found on our website. Our Hub Team will be running a variety of activities so please do take a look at what is on offer.

### **Summer holiday activities**

To support your child with their learning and the transition into the next academic year, subject leaders have put together a document with a list of activities for them to complete during the summer holidays. This document will be available in your child's tutor group areas on Microsoft Teams and is also available [here on our website](#). Students who provide evidence of completing this work to their form tutor will be issued with a raffle ticket and entered into a prize draw during the first week back in September.

### **End of Year reports**

You will be able to access your child's final progress report with their assessment results via MCAS by Thursday 20<sup>th</sup> July 2023.

### **September 2023**

Students will return to the academy on Tuesday 5<sup>th</sup> September. We have arranged a staggered start to ensure that our new year 7 students have the time they need for induction at the start of the day. Students will return to school as follows:

- 8.30am           Year 7
- 10.00am       Year 10 and 11
- 11.00am       Year 8 and 9

## Academy Day and Timetable

From September 2023 there will be no change to the academy day. Students are very welcome to join us from 7.30am for a free breakfast every morning. Students should aim to be on the academy premises by 8.25am for an 8.30am start, students will finish at 2.35pm daily.

## Uniform

All students are expected to return to the academy in September in full uniform, details can be found on our website.

All uniform can be purchased from <https://www.zuttischools.com/product-category/oasis-oldham/>. We also have pre-loved and worn uniform available to our families, please contact [info@oasisoldham.org](mailto:info@oasisoldham.org) for more information about this.

We are very proud of our uniform standards and the sense of community it brings, thank you to all parents and carers for supporting this.

## Safeguarding over the summer

If you have concerns or need any support during the summer break, please refer to our [website](#) where you will find useful contact numbers and advice.

Finally, I would like to take this opportunity to wish all our parents, carers, and students a very happy and safe summer holiday and to thank you for your support this year.

We look forward to welcoming all our students back to the academy on 5<sup>th</sup> September.

Yours sincerely

Mrs M Dillon  
Principal
