Dear Parents/Carers,

Narrative and Art Therapy Intervention

Your child has been chosen by their Head of Year/Pastoral Leader to participate in the Narrative and Art Therapy intervention currently being offered to students who may require support in managing their emotions and feelings. This intervention will run for 8 weeks, and in this time your child will learn how to deal with their emotions and feelings in a positive way, increase self-awareness and self-worth and aim to decrease their stress and anxiety.

Please read the attached information letter, which outlines what can be expected during the intervention sessions. Please return the permission slip below to Mrs Hurst-Murray in the LSU.

Yours Sincerely,
