Dear...

Congratulations! You have been selected to be a Reading Champion from September 2023 – 2024.

What does this mean?

- You will be part of the student voice for reading right across our Academy
- Help to generate reading book ideas
- Take part in assemblies about reading
- Plan and support with 'World Book Day' and other reading promotion events
- Generate fundraising ideas to promote reading for pleasure across the Academy

You would also help to promote the library by being a representative or to encourage other students to become Library reps so that every student is able to access the library and choose books that they can and want to read and continue to promote a love of reading.

You would also help to promote competitions throughout the year and have an input into author visits.

We would hold meetings at least once every half term to share ideas which will include all of the above and improving and promoting easy access to reading.

Please complete the form below and hand it to Mrs Fujikawa (in 2.16) by _____ July

If yo have any questions, do not hesitate to come and find me. I look forward to hearing from you.

Mrs O'Neill and Mrs Fujikawa.
