Year 11 Parents' Evening

Dear Parent/Carer,

I am delighted to invite you to our upcoming parents evening which will take place in person between **3:00pm to 6.15pm on Thursday 8th December 2022.**

We are very proud of our students and want to ensure that they have excellent support to reach their full potential. The evening will be an excellent opportunity for you to discuss your child's recent mock examination results. It will allow parents to support their children to understand their progress and target their revision effectively.

The focus will be on progress, and it is a very important opportunity for you to review all areas of your child's learning, achievement, behaviour, attendance, and their contribution to academy life. This will also be an opportunity for you to discuss any concerns you may have or to obtain any additional information you may require. As an academy, we feel that is very important to work in partnership with parents so that we can support every student to achieve their potential both academically and socially, so that they are able to make excellent progress and have the best opportunities.

Please do not hesitate to contact the year team at any time if you have any questions or need further assistance.

I look forward to welcoming you and do hope that you are able to attend. If for any reason you are unable to attend, please contact info@oasisoldham.org so an alternative appointment can be made you.

Yours sincerely,

Mrs. F Overare-Olabisi
