

### **Getting ready- Year 7 into Year 8**

- Find a comfortable place to work, where you can write easily and not be distracted. (Ideally a desk or table at home)
- Create a timetable for when you will be completing these activities.
- In the first week back, bring evidence of the work that you have completed and show this to your form tutor.
- You will be entered into a prize draw.

<b>Subject</b>	<b>Links/Instructions</b>
English	<p><a href="https://www.shakespeare.org.uk/">https://www.shakespeare.org.uk/</a> - create a fact file of all the information you can find on the attached website for William Shakespeare</p> <p><a href="https://www.shakespeare.org.uk/explore-shakespeare/shakespedia/shakespeares-plays/romeo-and-juliet/">https://www.shakespeare.org.uk/explore-shakespeare/shakespedia/shakespeares-plays/romeo-and-juliet/</a> - create a storyboard of all the key events of the play 'Romeo and Juliet'.</p> <p>Make a list of all the vocabulary we have studied in year 7 and suggest links to 'Romeo and Juliet' to use when you start your studies.</p>
Maths	<p><a href="https://sparxmaths.uk/student">https://sparxmaths.uk/student</a> - log into sparx. Go to independent learning and type in the codes listed on the sheet (inside the Maths folder). All of the codes are separated into the half term topics of the year that you will be completing next year. This is a perfect way to make a head start on your learning for Maths!</p>
Science	<p>Work through the Self-study pack which is in the Science folder. Read the key knowledge information and then attempt the questions using the knowledge organiser then check your answers.</p>
MFL	<p>French/Spanish: Learn/ revise as many of the Universals as you can – use Look, Cover, Write, Check. The resources are in the MFL folder.</p>
History	<p><a href="https://www.bbc.co.uk/bitesize/topics/zyqb9ty/articles/z8jcdnb">https://www.bbc.co.uk/bitesize/topics/zyqb9ty/articles/z8jcdnb</a> - create a fact file on the Mughal empire by the using the attached link to research and develop your background knowledge. This topic will mark the beginning of year 8. Once you have completed this you can complete the quiz at the bottom of the link.</p> <p><a href="https://byjus.com/govt-exams/list-mughal-emperors/">https://byjus.com/govt-exams/list-mughal-emperors/</a> - create a timeline that plots each of the Mughal emperors and some of the key events that links to each king for example, Shan Jahan (Mughal King Number Five) built the Taj Mahal in 1632.</p>
Geography	<p><a href="#">Population - KS3 Geography - BBC Bitesize - BBC Bitesize</a> Go to the link and read the information about population. Complete the quiz.</p>

Computing	Complete the scratch programming project using the resources in the computing folder
PE	Use the information on the knowledge organisers to complete the 'what have you understood' slide and the stretch and challenge task.
