**Dear Parents and Carers,**

It is hard to believe we are at the end of another very busy term. Despite the pressures of the global pandemic and the absence that this has caused for both students and staff the academy has continued on its journey of improvement with our aim of supporting our young people and affording 'choice and chances'. As you are aware Ofsted conducted their inspection at the beginning of March and I look forward to sharing the report with you once it has been published.

Curriculum development remains at the heart of our provision and I am pleased to note the positive impact changes made this year have had. With regards to a number of exciting events and opportunities that have taken place this term please do follow the link below to our LORIC newsletter.

I am sure, like myself you will feel a great sense of pride in the work of our students, staff and community partners.

**Covid:**

The government published its latest guidance 'Living with Covid' this term which details the legal framework and changes to government restrictions. At present we continue to have enhanced cleaning procedures in place as well as other procedures such as improved ventilation to prevent the spread of the virus. If your child does develop the virus they must stay at home, please ensure you contact the academy and let us know. If you are unsure do not hesitate to contact us for further advice.

**Year 11:**

Please note communication has been sent to Year 11 parents informing you of the support sessions being offered over the Easter break, please encourage your child to attend the sessions where appropriate.

All revision materials and pre-release examination information can be found in the pack provided at Parents Evening. Please ensure your child uses this information for revision purposes over the Easter break. Additionally period 6 sessions will continue after Easter. See website for more details.

**Year 9 Options:**

During the summer term one area of focus will be Year 9 Options. Mr Collins, Deputy Principal, will lead on this and will provide more detail about this process to parents/carers and students very soon.

## Year 6 Transition:

In the summer term we will also welcome Year 6 students for their transition days.

Mrs Mitchell, Deputy Principal, will be leading on this and again will contact parents directly with detailed information.

## Early finish and start of summer term:

Term will end on Friday 8<sup>th</sup> April at 1.05pm, those students on second lunch will be able to collect a grab bag if they wish to.

## Summer term begins on Monday 25<sup>th</sup> April at the usual time of 8.30am for all year groups

## Uniform:

Please can I remind all parents of the academy uniform rules which must be followed. We do not permit extreme hairstyles, jewellery (apart from one pair of stud earrings and a wristwatch) or make-up. False nails and eyelashes are not allowed and must not be worn. In addition, skirts must be an appropriate length and not rolled over at the waistband and ties must be worn at all times. Thank you as always for supporting academy standards.

Uniform can be purchased from our supplier Zutti at:
