A warm welcome to Oasis Academy Oldham
Creating a Community of Choices & Chances

Dear **PARENT/GUARDIAN NAME**

I am delighted that you have been successfully awarded a place at Oasis Academy Oldham (OAO) to start with us in Year 7 this September 2022. We are really looking forward to getting to know you and your child and to welcome you into the OAO Community.

At OAO our core purpose is to develop well-rounded and talented young people who will reach academic success as well as making a positive contribution to their own community. To achieve this, we will support and encourage them to develop their passions, talents, and interests, and instil our Oasis 9 Habits into them daily.

We are a school on a rapid journey of improvement, attainment across the academy is improving and we are developing many new initiatives to provide an exciting and enriching curriculum offer. This includes our highly regarded careers programme, we are sure that your child will thrive by being part of this.

Our Extended Curricular Offer (ECO) is wide ranging with over 50 different programmes a week, varying from floristry to archery. Students excel on the sports field, and I am continually impressed by the active role that our young people take in shaping and enhancing our wider community.

To help give you a flavour of what life is like at OAO, please go to our website <http://www.oasisacademyoldham.org/content/welcome-year-6> to view a copy of our new newsletter, The Oldham LORIC.
