Online Learning

Dear Parents and Guardians,

We are now in our final weeks of this academic year and wish to ensure that all students continue with their education before the summer holidays. We appreciate and understand that some families may have trouble with limited computer or WIFI access, perhaps stopping pupils from fully engaging with our extensive online school offer. If this is a concern for you, please do notify your Form Tutor, Pastoral Leader or Head of Year, whilst we have limited resources, we will do all that we can to try and support, including loaning devices where possible.

We ask for your continued support of your child's attendance to our online learning. A copy of the full timetable is set out below. In addition to these live lessons, every session is recorded and can be accessed again later.

Please note; the attendance team monitors attendance to every lesson daily.
