

5<sup>th</sup> March 2021

CL/an

**Year 10**

Dear Parent/Carer,

I hope this finds you and your family well. Further to the letter shared on the 1<sup>st</sup> March, we are looking forward to welcoming all Year 10 students back into the building on Tuesday 9<sup>th</sup> March. To ensure students feel safe and well supported, on March 9<sup>th</sup> Year 10 will take part in an Establishment Day within their form group bubbles. This will afford staff the opportunity to go through new health and safety expectations within the building, re-establish the academy expectations during lessons and to explain how we intend to transition our working habits from remote learning back into the building.

As we safely plan our transition back into the building, it is essential that we can gain a clear insight into which elements of the curriculum students are confident in and which topics we may need to revisit again by staff. From 10<sup>th</sup> March, students will begin to sit a range of tests across each subject. The first wave of tests will take place in form rooms and will cover English, Maths and Science at the following times.

Date	Day/period	Exam
10/02/2021	Weds P2	Revision preparation lesson
11/02/2021	Thurs P1 and P2	Maths Paper 1
12/02/2021	Friday P1 and P2	Maths Paper 2
	Friday P3 and P4	Science Paper 1
14/02/2021	Monday P1 and P2	Science Paper 2
	Monday P4 and 5	English Literature

Students will begin to follow their full timetable from Tuesday 16<sup>th</sup> and option subjects will plan their subject specific tests to complete during lesson time.

Please do reassure your son/daughter that the tests simply are designed to provide a detailed starting point for each subject as we move back into the building. Nothing more, nothing less. The test results will inform the next stage of our planning to ensure we can maximise the time we have together in the building through the spring and summer terms.

Yours sincerely,

**Mr. C Lyons**  
Mr. C Lyons  
Deputy Principal

**Principal - Miss D Gobbi**
