Year 8 Chester Zoo trip - Wednesday 10th May 2023

Dear Parent/ Guardian

Your son / daughter has been completing workshops delivered by Chester Zoo over the past two months which have been on the importance of conservation and what actions they can make to protect biodiversity. Included in this project is a visit to Chester Zoo and will include tours of the Zoo. It is a valuable opportunity for your child to understand the threats and ways in which endangered species are being protected. To extend their understanding of conservation, your son / daughter will be visiting Chester Zoo on **Wednesday 10th May 2023**.

Students will attend school and form time as normal until 8.50am after which they will be escorted onto coaches to make their way to Chester Zoo. We are scheduled to finish at Chester Zoo at 13:15. Students will arrive back at the Academy at 15:00 latest. Students will need to wear full school uniform and appropriate clothing based on the weather (e.g., a coat) and bring a packed lunch. Students who are entitled to a free packed lunch will be provided with one on the morning of the trip. There is no charge for the trip.

Please confirm your child's attendance on this trip via the MCAS app no later than Wednesday 3rd May 2023.

If you have any questions regarding the trip, please contact me via email nimmi.jobanputra@oasisoldham.org or 0161 624 9630.

Yours Sincerely
Mrs. N Jobanputra
