Year 11 Summer Examinations

Dear Parent/Carer,

I am writing to inform you that the main programme of written GCSE examinations for our students starts on Monday 15th May and finishes on Wednesday 21st June 2023. Enclosed with this letter is an overview of the summer exam timetable. Your child has been issued with a personalised timetable which outlines the examinations that they will be sitting. It is their responsibility to check the date and time of their exams from their individual exam timetable.

It is essential that your child does not miss their examinations and has as much opportunity as possible to continue working in their lessons but also have opportunities to revise before their examinations.

Students must attend school as normal and go to morning registration. Throughout the day if students are not in an exam, they must attend their normal timetabled lesson unless a specific revision session aimed at their next examination has been scheduled – your child will be given a personalised timetable which outlines all the sessions that they are required to attend. Should your child miss an exam for reasons other than illness, we may ask you to pay the costs of that particular exam.

We are proud of our students and wish them good luck as they begin their examinations.

Please do not hesitate to contact the year team via info@oasisoldham.org at any time if you have any questions or need further assistance.

Yours sincerely,

Mrs. F Overare-Olabisi
